CAMILLUS *DeLuxe*
FINEST HAND CRAFTED KNIVES

CAMILLUS *has the edge!*

The truly DeLuxe line, combining the high standards of workmanship always found in famed Camillus knives, with beauty of hand craftsmanship.

- BLADES: High carbon custom made steel that provides razor sharpness, rugged toughness. Edges hand honed and hand stropped.
- CONSTRUCTION AND APPEARANCE: Precision made of finest materials to exacting tolerances. High polish of all metal components; nickel silver bolsters and shields; hand etched blades, fancy milled nickel silver linings and center scale.
- PACKING: Each knife individually wrapped, ½ dozen to a box. Identifying number on back of master blade for easy identification.

Pre-sold by extensive trade and consumer advertising and sales promotion material. Backed by the famous name of CAMILLUS, over-80-year-old leader in the cutlery industry. Made in Camillus, N. Y. —"Knifetown, U.S.A."

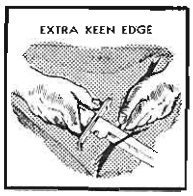
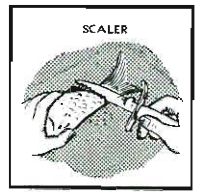
2 Sensational Camco NEW SPORTSMAN'S KNIVES

FAMOUS QUALITY



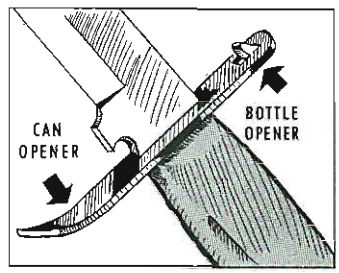


Sportsman's knives with real multiple purpose. Designed by hunters and fishermen for hunters and fishermen. The hunting knife has the most popular style blade. The fisherman's knife is just what the fisherman wants.

And in addition:

Two extra uses never before found in a knife of this kind.

1. A beverage can opener that opens beer cans, orange juice cans, etc.
2. Cap lifter for opening bottles.



Both knives made of fine high carbon cutlery steel, beveled for extra strength, hand edged and razor sharp. Chrome plated to resist stain and rust. Force molded into handle for a permanent non-loosening joint. Handles — Contour grip of beautiful ivory Tenite that is tough and can take it. Each knife with an attractive genuine leather sheath.
